2018er JUNGFER Riesling trocken VDP.Großes Gewächs 97P

This is a striking riesling with a beautiful interplay between freshly ground peppercorns, croissant and brioche and remarkably fresh apricots and mangoes. There's also crystalline citrus flare here, if you care to gaze through the looking glass. The palate is built on a solid foundation of textured stone fruit, but the acidity runs amok, amidst a sea of eclectic spices and herbs. A fascinating, complex wine. Drink now or hold.

2018er Früherberg Riesling trocken VDP.Erste Lage 96P

Ripe yellow-fruit aromas here with a smooth and succulent array of peach and lemon flavor. There's a strong mineral chord, too. Really linear and fresh. Seamless and precise. Drink or hold.

2018er Hendelberg Riesling trocken VDP.Erste Lage 94P

Entrancing aromas of minerals, flowers, yellow citrus fruit and peaches all melded together here. The palate has a very fresh, crisp and focused feel with good concentration of fresh pears and lemons. Long, elegant and pure. Drink or hold.

2018er Riesling trocken VDP.Gutswein 91P

A wild and intriguing riesling for this price point, suggesting grilled croissant, pannacotta, lemon meringue and baked Alaska. Touch of funk, too, but nothing intrusive. The nose may be flamboyant and the flavors intense, but this is packed with good acidity that chisels a fine, streamlined shape. Drink now.

2018er JUNGFER Riesling Spätlese VDP.Große Lage 93P

Attractive aromas of fresh flowers and honey here with a waxy edge and plenty of fresh, fleshy, smooth peaches and apricots. Great depth with real elegance and balance. Drink or hold.

2018er JUNGFER Riesling Kabinett VDP.Große Lage 95P

Attractive, waxy aromas with more exotic mangoes and guava, as well as a beautifully pristine, perfumed layer. The palate has a very smooth, very fresh and attractively juicy feel with really pristine, yellow-peach flavors. Spectacularly drinkable. Screw cap.
