2022 MARCOBRUNN Riesling trocken
VDP.GROSSES GEWÄCHS

97 P

Enormously compact and concentrated, this great dry Rheingau riesling has iron in the soul and yet the mandarin-orange and mango-chutney aromas are immediately appealing. Sensationally mouth-feel on the medium- to full-bodied palate. Very long, complete finish that promises a long life ahead for this masterpiece. From organically grown grapes. Drink from release.

2022 BERG SCHLOSSBERG Riesling trocken
VDP.GROSSES GEWÄCHS

97 P

Hauntingly beautiful nose of ripe peach, King Alphonso mango and a whole florist store full of white flowers! Fabulously juicy and vibrant with incredible precision of flavor, this glides across the palate with the speed of a space plane coming in to land. Mind-blowing wet stone minerality at super-focused finish. From organically grown grapes. Drink or hold. Screw cap.

2022 JUNGFER Riesling Kabinett
VDP.GROSSE LAGE

96 P

Dazzling nose that stands on a knife edge between the lusciousness of papaya and the coolness of crisp apple! Also delicate notes of hyacinth (which of itself is not delicate!). At once succulent and energetic on the light- to medium-bodied palate, this barely off-dry riesling Kabinett is hard to resist. Whiplash energy at the extremely long finish. From organically grown grapes. Drink or hold. Screw cap.

2022 JUNGFER Riesling trocken
VDP.GROSSES GEWÄCHS

95 P

Incredibly complex and cool nose, this is extremely fresh without the yeastiness that often accompanies this. Reine claude plum and crisp pear aromas, but also intense notes of herb garden after rain and ferns. Stunningly energetic and racy with such a pure and expressive finish. From organically grown grapes. Drink or hold. Screw cap.

2022 NUSSBRUNNEN Riesling trocken
VDP.GROSSES GEWÄCHS

95 P

Extraordinary nose that's very savory, with plenty of leesy funk, but there's also bright Amalfi lemon fruit. Creamy and compact, medium-bodied palate with a touch of grapefruit-pith bitterness that adds tension at the long, firm finish, which is brimming with youthful fruit. Excellent potential. From organically grown grapes. Drink from release.

Super-cool and super-flinty, this diamond-bright dry riesling has extraordinary youth and brilliance that are married to concentrated fresh pineapple fruit. Staggering wet-stone minerality at the enormously energetic finish. Excellent aging potential! From organically grown grapes. Drink or hold.

2022 Hallgartener Frühernberg Riesling trocken
VDP.ERSTE LAGE

95 P

Here's cast-iron proof that climate change hasn't abolished cool-climate white wine. A peacock's tail of aromas, ranging from all the colors of candied citrus peel to fresh ripe peach, also from licorice to wild herbs. So succulent and precise on the medium-bodied palate, where the wet-tone minerality builds at the very long and zesty finish. From organically grown grapes. Drinkable now, but best from 2025.

2022 SCHÖNHELL Riesling trocken
VDP.GROSSE LAGE

94 P

Intensely herbal nose with a touch of youthful yeasty funk that accentuates this. At once ripe and tightly wound with lots of wet stony freshness and a vibrant acidity that carries the very long, energetic finish. This really needs some more time in the bottle to realize the excellent potential. From organically grown grapes. Drink or hold. Screw cap.

2022 NUSSBRUNNEN Kabinett
VDP.GROSSE LAGE

94 P

This succulent riesling Kabinett is brimming with peach, nectarine and white-flower aromas. Thanks to the considerable succulence that is at the borderline of light- (the norm for this category) to medium-bodied. Impressive earthy complexity at the long and generous dry finish. From organically grown grapes. Drink or hold. Screw cap.

2022 Hallgartener Riesling trocken
VDP.Ortswein

What an exciting, flinty nose this sleek and very expressive dry riesling has! Very intense wet-stone minerality on the barely medium-bodied palate that races across your palate at a significant fraction of light speed. Exciting lime-zest and wild-herb character at the long, very focused finish. From organically grown grapes. Drink or hold. Screw cap.

2022 Riesling feinherb „vom bunten Schiefer“
VDP.Gutswein

91 P

Here's a dry riesling for sauvignon blanc fans, thanks to the ripe green and red gooseberry aromas and the slightly sappy acidity on the very refreshing, barely medium-bodied palate. Stacks of herbal and stony freshness at the very straight finish. From organically grown grapes. Drink or hold. Screw cap.

2022 Riesling trocken
VDP.Gutswein

With its brightness and crispness, plus its lemony and herbal freshness, this dry riesling beams me back to the best Rheingau wines of the late 1980s and early 1990s. Very clean finish with wet-stone minerality. From organically grown grapes. Drink now. Screw cap.

2022 JUNGFER Riesling Kabinett Goldkapsel
VDP.GROSSE LAGE

What a breathtaking nose of white peach, wild berries and herbs this really extraordinary riesling Kabinett has. Yes, there's a touch of perceptible sweetness on the barely medium-bodied palate, but the concentration and wet-stone minerality are off the scale, completely dominating this masterpiece of purity and precision! Enormous aging potential. Limited production. From organically grown grapes. Drink or hold.
